

EARLY YEARS IN ACTION

Sometimes I find writing hard. I like dough disco that makes our fingers strong.

We travelled to India this week. We're going to build the Taj Mahal.

Phonics is my favourite thing in school. And I like playing outside.

Numberblocks help us with our maths.

We're planting! What will grow?

I love Welly Wednesdays! I like it when we go to the wild garden. I like exploring.

Reception is good fun. We get to choose. There's always things to do in the classroom.

We get to vote for our favourite stories. I enjoy story time; we have loads of good books!
