

# ENGLISH IN ACTION

I love VIPERS. The books are really good and I like being creative and predicting the ending.

I enjoyed storytelling week. My favourite story is The Highway Rat.

We really like the new library. It's a quiet space and it's relaxing. The books are really good now.

I love phonics. It's so fun now with Miss Brewer.

I love World Book Day. I'm dressed up as the Dinosaur who pooped Christmas. That's my favourite book.

Phonics helps us to learn and to read and also write words and sentences.

It's good when people come in and work with us; like the poetry man. He was funny!

I like writing stories and using my imagination. I can use the story mountain to help me.
