EVENTS IN SCHOOL THIS WEEK

Imran Korwal's visit:

On Tuesday, we were visited by Imran Kotwal who taught the children about the faith of Islam and how he practices the 5 Pillars of Islam. He held an engaging assembly for KS1 and KS2 pupils and then delivered enthusiastic workshops with each of our KS2 classes. We thank him for his visit and can see that the children learnt a lot from the informative sessions! Well done.

LEGO club:

Our Lego club worked well in pairs to create a 'moving satellite' for this week's STEM challenge. What a great way to spend a wet playtime.

Regional Cross Country Trials:

With 87 schools from across the county represented at the Cumbria Schools Primary Cross Country Trials, we are extremely proud to announce that Leo did us proud once again and finished strongly in the top half of the table. Well done!

UPCOMING DATES

Bingo Night - tonight:

We hope that lots of you can join us at tonight's Bingo Night. Doors open at 6pm, eyes down at 7:15. There will be a raffle, prizes galore and a well-stocked bar.

History and Maths Day – Thursday 1st February:

On Thursday 1st February 2024, our Maths learning will be joining our History learning. A large part of the History curriculum covers putting historical events into chronological order which involves understanding numerical representations of years.

We would very much like your child to come in to school on Thursday 1st February dressed up in a costume depicting an historical event with the year clearly displayed.

Activities throughout the day will be organised in individual classes to consolidate both mathematical and historical understanding.

PTFA film night – Thursday 8th February:

Our wonderful PTFA will be hosting a film night for pupils. Add the date to your diaries and more details will follow shortly.

WONDER OF THE WEEK

Congratulations to our wonder of the week award winners this week. They have received their certificates and prizes in assembly this afternoon.
